

## VATERHERZ BEWEGT FATHER'S HEART IN MOTION

The Love of God the Father is searching for ways into people's hearts...

### WHO ARE WE?

Behind "Father's Heart in Motion" you will find many active Christians from all over Germany. We are made up of men and women from different generations and nationalities; Christians from various fellowships and churches. Each of us has been deeply touched and renewed through an encounter with God's love as our Father.

There is nothing that has changed our lives as much as traveling on the amazing journey of discovering and living in the Father's love! It influences all areas of our lives and faith. Yes, the Father's Heart is truly in Motion in us.

Over the last several years, a spiritual network has been developing and growing. We call ourselves the "**Daughters and Sons Network**". One of our aims is to help one another to live more and more in this wonderful reality.

The "**Daughters and Sons Network**" and the "**Father's Heart in Motion Organization**" are part of the Father Heart movement in Germany and in the world.

### WHAT ARE WE EXPERIENCING?

**Jesus Christ** has shown us the heart of our heavenly Father. His whole life is a reflection of the glorious nature of God. He is the loving Father Heart of God in person!

This discovery opens a completely **new perspective** of everything: a new way of seeing God, a new identity as loved daughters and sons, new heart relationships with one another, new ways of expressing this love, and new revelations of the Word of God...!

We enjoy sharing our personal experience of this love with others in our daily lives, in private as well as in church and group settings. **Together in teams** we share this message in **church services, seminars, workshops and conferences**. In these times, we talk about what we have discovered and experienced with the Father. We involve the participants in a creative-prophetic-pastoral way. This gives people an opportunity to experience God as their loving heavenly Father (in new or deeper ways)!

If you are interested in hosting one of these meetings or seminars, please contact us at our office!

In addition to that, "**Abba's-Way-Groups**" are coming into existence in many places all over Germany. These are small groups where we share about our new identity as loved children of God and encourage one another to pass it on.

Our **dream**, however, is much larger than this. We dream of relief projects both in Germany and in other countries. Secondly, we dream of churches and bible schools where we all learn to live in the Father's love. Furthermore, we dream of changes around us which bring healing to our society.

## WHAT DO WE EXPECT?

500 years ago, the Reformation brought a new perspective into the world about the life of Jesus, His death on the cross and His resurrection. 100 years ago, the Pentecostal movement opened up a new experience in the reality of the Holy Spirit. **Now it is Abba Father's turn! Now it is Father-Time!**

We are expecting an increasing revelation of the Father Heart of God, in particular for our Fatherland **Germany** but also **for all nations!** There has never been such a worldwide fatherlessness as there is today! We believe that experiencing this love will bring about a profound positive change - in life, families, the Church and in the society.

We are already seeing thousands of people receiving new courage to face life, broken marriages and families being restored, burned out church workers gaining new strength and reconciliation taking place between people of different generations and nationalities.

The love of the Father carries the potential for a revival to bring change to whole cities, regions and countries in a healing way! Our heartfelt desire is to have a part, as our heavenly Father builds His Kingdom on earth – and we can even play along with Him.

## HOW CAN YOU SUPPORT US?

In order to better fulfill the various ministries, projects and responsibilities of our network, both within and outside of Germany, we have formed a nonprofit organization called **VATERHERZ BEWEGT e.V.** (FATHER'S HEART IN MOTION). We cannot do this alone! –

**We are looking for friends and supporters!**

We are very thankful for your **prayer support!** If you want to help carry our prayer concerns with us then pray this simple prayer:
